

To Texas State Representatives:

Whereas, Gov. Rick Perry has thwarted the will of the people of Texas in their repeated and relentless attempts to force the Trans-Texas Corridor and the freeway-to-tollway privatization schemes on the people of Texas who remain universally opposed to them, and

Whereas, Gov. Rick Perry has sought to punish our elected representatives who attempted to enact a clear moratorium on these projects until the full impact of these projects could be known by the public, and

Whereas, Gov. Rick Perry has attempted to hide, sneak and otherwise trick the people of Texas, the Texas media and our elected representatives for the last four years, and even concocted a plan to convert federal highways in Texas to tollways, in violation of the most basic principals of open government, and

Whereas, the people of Texas do not have “total recall” rights (we can only recall city officials),

Therefore, we the undersigned call upon Texas House members to sign and file articles of impeachment for Gov. Rick Perry as soon as possible.
